WATCHES TO TELL THE TIME
Time has been one of our maths topics introduced this week. To help your children learn to tell the time and if you are thinking about a watch please consider an analog watch. That’s one with hands rather than digital. Please talk with your children about time, ask them to read the time from different clocks, watches & appliances as this assists with developing a thorough understanding.

CIRCUS DAY FOR YEARS 5 & 6
Our first VOSS Circus Day at Mullumbimby will be held on Friday 4th March. All students have been given a permission note. The cost of the excursion is $18. Years 3 and 4 will go on Friday 11th March and Kindergarten – Year 2 on Friday 1st April. Please return notes and money by due date on the note.

Easter Hat Parade
Our Annual Assembly and Easter Hat Parade is only 4 weeks away. Students are to make an Easter hat at home and bring to school on Thursday 24th March. The Parade/Assembly will start at 10:15am, all welcome, followed by the school assembly collect all dishes and plates and take home with you.

Young Leaders
On Monday 14th March our four Year 6 students will travel to Brisbane to join the other VOSS schools to attend this event. A permission note will be sent out next week. The students will need to make their own transport arrangements so they can meet the bus at Mullumbimby Post Office at 7am. The bus will return at approximately 6:30-6:45 and drop at the post office. Thank you to the P&C who will be funding this event.

The Sound of Music – Brisbane matinee
Wednesday 27th April – Week 1, Day 1, Term 2
The cost for this excursion will be $60 per student. Families are now able to pay for this excursion by instalment. Please send your money in a clearly marked envelope. Permission notes will come home next week.

RESILIENCE AND SELF ESTEEM

Episode 2: Take-home questions
We’re watching a video series about how students can develop a growth mindset! Watch it at: www.classdojo.com/BigIdeas, and ask your child these questions tonight.

1. When I make a mistake I feel ______ because ______. How does it feel when you make a mistake?
2. What do you do about those feelings so that you don’t get discouraged?
3. How can we support one another when facing challenges that result in many trials?

School Communities Working Together
The role of schools is to work in partnership with parents to provide an environment that encourages students to connect with each other and their community, so they can succeed and thrive. Parents, teachers and the community all play a role in fostering this environment. The link below provides some valuable information for parents.

++ Parental concerns about traffic and personal safety are important barriers to active transport.
Parents need to feel certain that their child has the capability and confidence to navigate their way independently to school and to other destinations despite any potential safety concerns they may have.
Strategies that families could adopt are: parental accompaniment on active transport trips until a level of independence and competence is possible, enrolling children in skill-building and traffic safety awareness programs and encouraging children to walk and cycle to/from school and other destinations with other children. www.activehealthykidsaustralia.com.au
Thank you to Fabia, Darlene and Juniper for brightening up our school

Thank you to our students for adding colour to our school
